

SES - Simple Email Service

If you are studying for AWS Developer Associate Exam, this guide will help you with quick revision before the exam. it can use as study notes for your preparation.

[Dashboard](#)[Other Certification Notes](#)

SES - Simple Email Service

- Allows us to send emails to other people using SMTP or AWS SDK
- Allows us to receive emails from others
- Integrates with
 - S3
 - SNS
 - Lambda
- IAM fully integrates with IAM. In order to be able send/receive emails, necessary IAM permission are required
- Most simple service :)
